

PARTICIPANTS NEEDED

DNP Capstone Project: "Good Prescribing"

If you are a nurse practitioner student enrolled in courses for the fall of 2015, participants are needed in a pilot study to explore the use of infographics as a means of teaching important points of "Good Prescribing" as described by the World Health Organization.

PILOT: "GOOD PRESCRIBING"

What is the process?

Sneak Peek ...

- Consent
- Background Survey
- Intervention (30 minutes)

Pre-Test

Knowledge

Did this improve your prescribing knowledge?

Skill

Did this improve your prescribing skill?

Confidence

Do you feel more confident about prescribing?

Post-Test ----- 2 Week Post-Test
